Other church appointments, special ministries and special days are in bold.

The **Faith Formation Network** hopes that communities of faith and individuals will use this prayer cycle as a way to connect with other communities of faith by including them in weekly thoughts and prayers.

Take note of when your own community of faith is included and remember on that day the many others who are holding you in their prayers.

Every community of faith and special ministry in Living Skies Regional Council has been listed once in this prayer cycle.
