

Buy a Board

Camp Tapawingo needs your help
to rebuild the bridge on the path to the Chapel!

The boards and pilings are rotten. We need to make the bridge safer by adding a railing. The “bridge” is no longer used for docking boats. However, it does provide a link across a shallow pond to the forested path leading to the Chapel. That pathway needs to be rebuilt as well.

Get on board!

Here is your chance to make a visible contribution to Camp Tapawingo.

- You can buy a board for \$25.
- For a \$50 donation your name will be placed on a map of the boards. You could make the donation for a child who will be excited to see their name on a board. You might make the donation as a memorial.

Donations of any amount are welcome, but tax receipts will only be issued for donations of \$25 or larger.

To participate in this fundraising project visit the camp's website:
