## Ministry with Youth on the Autism Spectrum

Wednesday, May 12<sup>th</sup>, 2021

7pm (Online Zoom meeting)

We're constantly searching for new ways to share in Jesus' ministry with neurodiverse children & young people who experience life on the autism spectrum.

**Erin Scrivens (B. Ed, Educational Psychology & Special Education)** is a high-school special education teacher and life-long member of the United Church who brings over 20 years of experience working with, caring for, and laughing alongside neurodiverse kids. She'll answer just about any question we can think of, and share a wealth of insights, tips, and compassionate advice related to autism and similar developmental conditions.

*Please note:* We're hoping to Zoom live from a wired-up, socially-distanced classroom at St. Andrew's College. Just let us know if you're Saskatoon and would like to attend in person. Of course, COVID-realities can change anytime, but we'll cross our fingers!

**"Practically Prophetic"** is a new webinar series focused on tools & tips for our UCC ministry together. Think of it as Com-Ed (Community Education) for all: speakers, presentations, and panel discussions related to just about anything & everything in the vibrant faith-life of the church. We're excited that *Practically Prophetic* is a pretty cool collaboration of Living Skies Region Faith Formation (UCC), *St. Andrew's College*, and the **Centre for Christian Studies**.
