CoSA South Saskatchewan, Micah Mission and Parkland Restorative Justice partner with Living Skies Regional Council and are the agencies which provide the Person to Person (P2P) and CoSA programs in Saskatchewan.

Since April of 2017, these agencies have been receiving approximately \$200,000 in total annually from the Ministry of Public Safety Canada administered by CoSA Canada to facilitate reintegration programming while contributing to research showing the high rate of success of CoSA.

In March of 2022, this five-year project will come to an end as will the funding that came with it.

In anticipation of this, these agencies have been seeking to determine how to continue funding the program and to not lose any of our valuable staff. We are also exploring how the three agencies might partner together in applying for sustainable, ongoing funding to keep these programs alive.

What can you do?

This notice is to make you aware of this fact and to invite your prayers, your gifts, your action.
