

Petition to Prohibit Conversion Therapy

We, the undersigned residents of the Province of Saskatchewan, wish to bring to your attention the following:

- Conversion therapy used discredited and abusive practices which attempt to actively change sexual orientation, gender identity, or gender expression.
- The Saskatchewan Human Rights Code names sex, sexual orientation, and gender identity as one of the prohibited grounds of discrimination.
- The practice of conversion therapy or reparative therapy is seriously harmful to individuals, and is opposed by the Canadian Psychological Association, the World Health Organization, and the American Psychiatric Association.
- The United Nations Convention of the Rights of the Child indicates that children should not be discriminated against based on sexual orientation or gender identity.

We, in the prayer that reads as follows, respectfully request that the Legislative Assembly of Saskatchewan:

Call on the Government of Saskatchewan to ban the practice of conversion therapy and prohibit transporting youth and adults outside Saskatchewan for such purposes.
