October 20, 2021

*The **Regional Rambler** is our primary resource for sharing information across the Regional Council. To be added to the receiving list, please email Bev Diebert ([bdiebert@united-church.ca](mailto:bdiebert@united-church.ca)).*

### **1. Living Skies Regional Council News:**

#### **Pastoral Relations Ponderings – [Pastoral Relations Ponderings Vol 28](#) - new**

Please review this document for Annual meeting exemption, vaccine expectations and more.

#### **M&P Committee Refresher - new**

Whether you are new to the work of the M&P Committee or have been offering this service for years, it is always valuable to remember what the responsibilities of an M&P Committee might be, if there are any new resources out there, and generally how to offer the most effective support for the ministry personnel and staff in your Community of Faith. Hosted on Zoom by Tracy Murton, Pastoral Relations Minister, this 90 minute conversation will answer your questions and clarify your responsibilities. Contact Bev Diebert to register at [bdiebert@united-church.ca](mailto:bdiebert@united-church.ca) for **either** Saturday, Nov 6, 10:00-11:30am **or** Wednesday, Nov 10, 7:00-8:30pm.

#### **Clergy Appreciation Month: From THE BOARD OF VOCATION of The United Church of Canada: - new**

*How beautiful are the feet of them that preach the Gospel of Peace and bring glad tidings of good things.*

##### **Romans 10:15**

The Board of Vocation feels tremendous gratitude for the dedication and commitment of the Ministers who work tirelessly for their communities. We understand and appreciate that it takes many hours of the day to be creative, steadfast and perform the work that is necessary to fulfil that commitment of creating an atmosphere of peace and love in your church community. We see that this can be difficult in the face of the pandemic and unrest in other parts of the world as it affects us all. We want you to know that we as a board are grateful and send you our prayers in support of your well-being.

Here are some suggestions to celebrate **Clergy Appreciation Month** (From Connex Sept 2019):

##### **Why Celebrate?**

- Although ministry is a calling from God and most ministers could not imagine doing anything else, it is still challenging and stressful.
- Many ministry personnel find their work isolating even though they are surrounded by people all the time.
- Ministry personnel don't always get to hear what they are doing right, only what they could improve on.
- Through appreciating our current leaders, we encourage others to consider these roles in the future.

##### **What You Might Do**

- Pray for your minister and those in church leadership.
- Ask your minister why they went into ministry and what they love about it.
- Write a thank-you card, e-mail, or letter of appreciation.
- Invite the minister or other church leaders out for coffee or a meal.
- Get creative and have fun showing your minister and your church leaders how much you appreciate their hard work!

#### **Ministry Personnel Gatherings**

Join your ministry colleagues every Tuesday over Zoom for conversation, support and information sharing. Facilitated conversation begins at 1pm; connection information is found in the [calendar](#).

## Celebrations

As communities of faith continue to worship together, many postponed covenanting services and retirement celebrations are taking place. We ask you to hold in prayer: **October 24** – release from covenant service for Donna Rumpel at 2 pm at Strasbourg United Church.

## Updated: COVID Guidelines

The provincial government has extended the mandatory mask mandate until November 30, 2021. This means that masks continue to be required at all indoor functions, including worship, meetings, rentals, etc. The full details of the mask mandate may be found [here](#).

**Young adults talk poverty and guaranteed livable income - new**

Here in Living Skies, we have a number of knowledgeable people who are committed to some form of Guaranteed Livable Income (GLI) or Universal Basic Income (UBI). They've been out and about, educating in their congregation and beyond. In our Regional newsletter we've been sharing liturgical and video resources, to help us all engage not only our brains but our souls and heart in the question of how we could use GLI to sharply reduce poverty in the midst of plenty. [Here's a new video resource](#): young adults talking about why they're committed to the idea and reality, and how their faith supports that. So often, youth and young adults are targetted for low wage jobs, and poverty is too often the result. Let's take the time to hear these voices. We have full permission to share this in worship and everywhere else.
