## **Women's Inter-church Council of Canada**

In the next few days you will be receiving a coordinator's letter. This does not mean you will be the coordinator but at this point in time yours is the contact we have. We do need someone who will be able to receive communication by email. And if you are using the video, you will need a church or library or community centre that has those resources.

This year as last year there will be a complete video for you to use plus other options. All of this information will be explained to you on a zoom call November 20 at noon Sask time (10am BC / 11am Alberta / 1pm Eastern time). More information will be coming out about World Day of Prayer 2022.

I am your contact again this year. Last year for some folks in Sask we had a zoom meeting where we walked through the resources and answered questions. We could do that again. Let me know if you think that is a good idea.

Blessings and looking forward to working with you again this year.
