## Living Skies Regional Council The United Church of Canada

### January 19, 2022 - Events

*The **Regional Rambler** is our primary resource for sharing information across the Regional Council. To be added to the receiving list, please email Bev Diebert ([bdiebert@united-church.ca](mailto:bdiebert@united-church.ca)).*

Welcome to the Events edition of the Regional Rambler! Every second week, the newsletter will focus on events and learning opportunities; on the alternate week, we'll be back to news and updates. We hope this helps us shorten the text, and helps you more quickly identify upcoming learning opportunities that have a specific date. To submit a Regional or national event, please contact Rambler editor Bev Diebert, [bdiebert@united-church.ca](mailto:bdiebert@united-church.ca). Events featured in the newsletter itself must be of direct relationship to the United Church, its partners, or identified priorities for the church.

Regional Council events will also be posted [on our Regional calendar](#). And you are most welcome to submit local public events to our [Community of Faith Calendar](#), whether you're part of a congregation, community ministry, partner group, and more. [You can use this form](#) to do that. Staff will approve the events in order to avoid the inevitable spammers. "Local" is a relative term these days of online events, so we leave that to your judgement. Generally it refers to shorter, more specific events that are, of course, public.

Winter 2022 online learning opportunities from **United in Learning** [are detailed here](#).
