Living Skies Regional Council
The United Church of Canada

February 2, 2022 - Events

*The **Regional Rambler** is our primary resource for sharing information across the Regional Council. To be added to the receiving list, please email Bev Diebert (bdiebert@united-church.ca).*

Welcome to the Events edition of the Regional Rambler! Every second week, the newsletter will focus on events and learning opportunities; on the alternate week, we'll be back to news and updates. We hope this helps us shorten the text, and helps you more quickly identify upcoming learning opportunities that have a specific date. To submit a Regional or national event, please contact Rambler editor Bev Diebert, bdiebert@united-church.ca. Events featured in the newsletter itself must be of direct relationship to the United Church, its partners, or identified priorities for the church.

Regional Council events will also be posted [on our Regional calendar](#). And you are most welcome to submit local public events to our [Community of Faith Calendar](#), whether you're part of a congregation, community ministry, partner group, and more. [You can use this form](#) to do that. Staff will approve the events in order to avoid the inevitable spammers. "Local" is a relative term these days of online events, so we leave that to your judgement. Generally it refers to shorter, more specific events that are, of course, public.
