Living Skies Regional Council The United Church of Canada

April 13, 2022 - Events

The **Regional Rambler** is our primary resource for sharing information across the Regional Council. To be added to the receiving list, please email Bev Diebert (bdiebert@united-church.ca).

Regional Council events will also be posted [on our Regional calendar](#). And you are most welcome to submit local public events to our [Community of Faith Calendar](#), whether you're part of a congregation, community ministry, partner group, and more. [You can use this form](#) to do that. Staff will approve the events in order to avoid the inevitable spammers. "Local" is a relative term these days of online events, so we leave that to your judgement. Generally it refers to shorter, more specific events that are, of course, public.

The latest opportunities from **United in Learning**, the church's online learning space, [are listed here](#).
