Stats are fun!

One of the ways that the ministry and vision of The United Church of Canada is sustained is through the annual assessments levied on individual communities of faith. The amount of these assessments is based on the statistical information received each year (used to be called the "blue forms"). If you are the person responsible for completing these, please take the time to do so as soon as possible. If you are not, find out who is and offer to help! Communities of faith are encouraged to complete these forms online so there may be technical pieces you could help with! Or simply offer to be a cheering section while the work is done.

2. Wider Church Information:

Our world seems smaller and more confined since COVID began. May these stories help widen it, and help us see where our prayers and actions from home can support those we may never meet in person, but with whom we are part of the Body of Christ. Most of the ministry and resources you see here are supported by our Mission and Service givings.

Accessing General Council 44 documents and learning sessions

Looking at Guaranteed Livable Income through the window of Lent

Lent is the season for truth-telling and repentance. It calls us to deep reflection on how we might address the persistent inequities in our country. Since 1972, The United Church of Canada has advocated a policy of guaranteed annual income that is more equitable and effective than existing government support programs.

[In a new guide available here](#), resource people from Pacific Mountain Regional Council offer ideas for Lenten liturgies, prayers, study groups or outreach committees. Each segment contains a suggested scripture, hymn ideas, a reflection or implication for GLI advocacy, and an action idea. The guide also includes action suggestions.

Annual reports are fun!

The gift of the annual report is a means to celebrate the ministry of your community of faith. Please ensure that someone has sent a copy to Tracy Murton – by email at tmurton@united-church.ca, preferably – for review by the Committee on Community of Faith Support. The bonus is completion of the Self-Assessment checklist includes the annual report so it is one further step along the pathway of accountability!
