April 6, 2022 - News

*The **Regional Rambler** is our primary resource for sharing information across the Regional Council. To be added to the receiving list, please email Bev Diebert ([bdiebert@united-church.ca](mailto:bdiebert@united-church.ca)).*

**Church office workers, please feel free to use these announcements  
in your church bulletins or newsletters.**

### **1. Living Skies Regional Council News:**

#### **NEW - Spoiler alert – next week is busy for your staff**

If you are a member of the M&P Committee in your community of faith, or are a governing body chair, or any member engaged in the ongoing life and work of your local context, you will be aware that Holy Week is a busy time for your staff. This has been another hard Lenten season with loosening restrictions, yearning for a return to our regular patterns, and an awareness that creating space for spiritual journey is critical. In the spirit of generosity, consider ways that you might acknowledge this for your staff – extra days off following Easter, volunteering for participation in one of the worship services, or even simply dropping an email or a phone message of support.

#### **NEW - Help is on the way**

The Living Skies Regional Council pulpit supply list contains the names and contact information of people who are ready and authorized to provide worship leadership. It is updated frequently to ensure the list is current and accurate. If the person who regularly provides worship leadership is taking a break, contact Bev Diebert at the Regional Council Office for access to the list: 306-704-0181

#### **NEW - Stats are fun!**

One of the ways that the ministry and vision of The United Church of Canada is sustained is through the annual assessments levied on individual communities of faith. The amount of these assessments is based on the statistical information received each year (used to be called the “blue forms”). If you are the person responsible for completing these, please take the time to do so as soon as possible. If you are not, find out who is and offer to help! Communities of faith are encouraged to complete these forms online so there may be technical pieces you could help with! Or simply offer to be a cheering section while the work is done.

#### **Annual Declaration information from Karen at the Office of Vocation**

The Annual Declaration (AD) process for ministry Personnel remains open until **May 15**. It is hoped that this will be a more convenient time to complete this. You do not need to get a new police records check done each year. A new police records check is only required if you are declaring new criminal charges or if your police records check is older than 2011. If you need assistance with completing your AD please contact me at [kmedland@united-church.ca](mailto:kmedland@united-church.ca).

#### **Annual reports are fun!**

The gift of the annual report is a means to celebrate the ministry of your community of faith. Please ensure that someone has sent a copy to Tracy Murton – by email at [tmurton@united-church.ca](mailto:tmurton@united-church.ca), preferably – for review by the Committee on Community of Faith Support. The bonus is completion of the Self-Assessment checklist includes the annual report so it is one further step along the pathway of accountability!

### Three cheers for the Property Commission and their help with the Self-Assessment checklist!

The Property Commission has offered a correction to the Self-Assessment checklist to more accurately reflect the policy and practice within our Regional Council regarding trustees. The correction offered is on p. 3 – “remove question 31”. According to the Property Commission, the work and expense of updating the Land Title every time there is a change in trustees is not worth it and is only required when selling or mortgaging property. If you have not begun this work, please use the versions found [here](#) - look in the file on Committee on Community of Faith Support. This information has been shared with ministry personnel and Pastoral Charge Supervisors – if you are the chair of your governing body, please contact Tracy Murton [tmurton@united-church.ca](mailto:tmurton@united-church.ca) so you can be added to the list!

## 2. Wider Church Information:

*Our world seems smaller and more confined since COVID began. May these stories help widen it, and help us see where our prayers and actions from home can support those we may never meet in person, but with whom we are part of the Body of Christ. Most of the ministry and resources you see here are supported by our Mission and Service givings.*

**NEW - Letter concerning Ukraine from Ethnocultural Networks**

**NEW - Ukraine Appeal update**

The extreme violence in Ukraine continues to be beyond words, as is the case for so many around the world who confront armed conflict in their communities.

The United Church community has raised \$402,000 for humanitarian relief so far. Of that, \$240,000 has been sent via the ACT Alliance. Spanning 127 countries, the Action by Churches Together (ACT) Alliance is the world's largest network of Protestant and Orthodox churches and agencies, including the United Church. Your generosity through Mission & Service has long supported ACT's humanitarian relief and advocacy efforts. Plans are being finalised for disbursement of \$162,000 and funds that continue to come in. What are these funds supporting? [Click here for details](#). To donate, [please click here](#).

**New Hymn Addresses the Invasion of Ukraine**

Walter Farquharson and Richard Hall have written a hymn, addressing the Ukraine invasion: "[I Will Sing To Our God](#)". Walter has written new lyrics for the music, composed in 1985 by Richard. The biblical inspiration is Exodus 15, The Song of Moses & Miriam. The current inspiration is Russia's invasion of Ukraine. As the situation in Ukraine is timely, they are sending the hymn with the invitation to use and copy freely if it is useful. They are not seeking royalties. Please feel free to forward it to anyone who might have use for it.

**Looking at Guaranteed Livable Income through the window of Lent**

Lent is the season for truth-telling and repentance. It calls us to deep reflection on how we might address the persistent inequities in our country. Since 1972, The United Church of Canada has advocated a policy of guaranteed annual income that is more equitable and effective than existing government support programs.

[In a new guide available here](#), resource people from Pacific Mountain Regional Council offer ideas for Lenten liturgies, prayers, study groups or outreach committees. Each segment contains a suggested scripture, hymn ideas, a reflection or implication for GLI advocacy, and an action idea. The guide also includes action suggestions.
