

# Hospital Chaplaincy in Saskatchewan

The United Church of Canada

**We are not alone, we live in God's world.**

UCCSKHospitalChaplaincy.com

Hospital Chaplains provide an essential role in Spiritual Care for patients. Whether it is being the face of the United Church for a patient and their family, offering prayers and support at end of life, or having a continuing conversation on faith and suffering, the Hospital Chaplains are ready to serve.

## Northern SK Hospital Chaplain Emily Carr

**1(306) 227-8707**

**[Rev.EmilyCarr@outlook.com](mailto:Rev.EmilyCarr@outlook.com)**

Serving in Saskatoon hospitals:  
Jim Pattison Children's, City,  
Royal University, and St. Paul's

## South SK Hospital Chaplain Lorna King

**1(306) 551-7755**

**[LKing1255@yahoo.com](mailto:LKing1255@yahoo.com)**

Serving in Regina Hospitals:  
General, Pasqua, Wascana Rehab,  
and Wascana Grace Hospice

Since 2017 when the Provincial Government eliminated its support for Spiritual Care in health facilities, the chaplains' source of information regarding United Church members in hospitals was greatly reduced. In Saskatoon, Chaplain Emily *sometimes* will get a patient's name on a list, but in Regina, Chaplain Lorna *never* receives a list of patients.

**So, please call/text/email the chaplain,  
if you or someone you care about is in hospital.**

Recently a website for Hospital Chaplaincy was developed. The website is one means for providing the exposure and contact information for chaplaincy. The website also has "one click" buttons if you wish to financially support either of the chaplaincies.

Website with info and links for both chaplaincies:

**Another way to support the chaplaincies:**

The gift of a prayer shawl from a community of faith can be a reminder that the patient is held in God's loving care and that they are being surrounded by the prayers of a community of faith. If you have a prayer shawl ministry and have extra shawls or knit/crocheted hearts to share with the chaplaincy, please contact Lorna or Emily.

SSHC and NSHC have been working collaboratively on maintaining a level of sustainability for chaplaincy. The Chaplaincy Boards realize that creating and maintaining awareness of Chaplaincy is a key initiative. And we know that not all communities of faith, nor all individuals are connected on-line. So please print out the attached poster and place it wherever it will best reach your congregation and the wider community. As you share the information, awareness of this vital ministry will increase and our Chaplains will know about patients needing their spiritual care.
