Living Skies Regional Council
The United Church of Canada

Summer 2022 - July 13

*The **Regional Rambler** is our primary resource for sharing information across the Regional Council. To be added to the receiving list, please email Bev Diebert (bdiebert@united-church.ca).*

Regional Council events will also be posted [on our Regional calendar](#). And you are most welcome to submit local public events to our [Community of Faith Calendar](#), whether you're part of a congregation, community ministry, partner group, and more. [You can use this form](#) to do that. Staff will approve the events in order to avoid the inevitable spammers. "Local" is a relative term these days of online events, so we leave that to your judgement. Generally, it refers to shorter, more specific events that are, of course, public.

Please see [United in Learning's summer events newsletter here](#).
