**CHAIR OF LIVING SKIES REGIONAL COUNCIL EXECUTIVE  
DARRELL REINE**

Darrell was born and raised in Regina. After 23 years of working in administration with Ipsco (Averaz) Darrell embarked on his journey of Designated Lay Ministry. He served Long Lake for five years and then moved to Westminster, Regina and will be completing his fourteenth year there in June. Darrell and his partner Karen have three children and six grandchildren. Grace, Darrell's faithful companion is part of the ministry team at Westminster. In his spare time, Darrell enjoys gardening, cooking, wine, having Grace take him for walks and of course more work for the church.

**GUEST SPEAKER – 100<sup>th</sup> Anniversary Celebration  
DIANE STRICKLAND**

Ordained clergy for 37 years, Diane also trained to support people through natural and unnatural disasters as well as providing on-call critical incident response to clients of a national health service provider. Both of Diane's Master's degrees are from the University of Toronto—an M.A. in Psycholinguistics and an M.Div. During the pandemic Diane wrote the first Trauma Informed Ministry Primer in Canada and continues to support employees of The United Church of Canada as requested. After twenty-two years in Alberta, Diane and her partner now live on fifty acres of Canadian Shield north of Kingston, Ontario with an old Border Collie and a Tuxedo Cat.
