

## **Sad news – Lorne and Betty Calvert's house fire**

St Andrews College, and Living Skies Regional Council express their deep sadness to Rev. Lorne and Betty Calvert at the [total loss of their home to fire](#) on Tuesday September 10. We thank God for the neighbours who alerted Betty, Lorne, and two relatives that the house was on fire, allowing them to escape with their pet. We join them in thanking the Bethune fire department for their efforts to save the house and prevent the fire from spreading.

In addition to being Saskatchewan's past premier, Lorne is St Andrew's past principal and has remained active in the church and community after his retirement; Betty is also very active in the community, through the Meewasin Valley Authority and many other commitments. We know the community and the church will be expressions of God's love at this very difficult time.

We will share details of any fundraisers or other supports as we receive updates.
